ED3000 SERIES

NEW

STOP-TAIL-TURN-REVERSE & WARNING LIGHT COMBO

These low-profile, multifunctional lights maximize visibility on the back of the vehicle. Use them to indicate stop-turn-tail-reverse with steady burn red and white colors. When warning lights are activated, the dual-color lights provide 69 attention-grabbing flash patterns. Installation is a breeze with a female PL3 connector and grommet mount or a flange mount option.
